

Test Case 10

System: Bench

Description: Black box testing to check email registration for notifications.

Severity: 2

Instructions

Test 1

1. Start the Bench application.
2. Click the button "Login" on the navigation bar.
3. Enter the email "team23project@gmail.com" into the text field labeled "Email address".
4. Enter the password "12345678" into the field labeled "Password".
5. Click the button "Login" below the field.
6. After the screen has loaded, click on the button "My Profile" on the navigation bar.

Expected Result: There should be a notification panel on the page where the user is allowed to enter their email registration for the notifications.

Test 2

1. Start the Bench application.
2. Click the button “Login” on the navigation bar.
3. Enter the email “team23project@gmail.com” into the text field labeled “Email address”.
4. Enter the password “12345678” into the field labeled “Password”.
5. Click the button “Login” below the field.
6. After the screen has loaded, click on the button “My Profile” on the navigation bar.
7. Enter an email address into the email input field in the notification panel.
8. Click the button “Enable” in the dropdown menu.
9. Click the button “Set”.

Expected Result: There should appear an alert indicating that the new registered email has been stored into the database.

Test 3

1. Start the Bench application.
2. Click the button “Login” on the navigation bar.
3. Enter the email “team23project@gmail.com” into the text field labeled “Email address”.
4. Enter the password “12345678” into the field labeled “Password”.
5. Click the button “Login” below the field.
6. After the screen has loaded, click on the button “My Profile” on the navigation bar.
7. Enter a different email address into the email input field in the notification panel.
8. Click the button “Enable” in the dropdown menu.
9. Click the button “Set”.

Expected Result: This means that the user is allowed to change email registrations for notifications as many times as they want.

The screenshot shows the 'My Profile' page in the Bench application. The top navigation bar includes links for Bench, Explore, My Profile, My Event, Chat, Search, Settings, and Logout, along with a search bar. The profile section on the left features a green circular avatar, the name 'team23', status 'Available', and last sign-in time 'Fri, 02 Dec 2022 17:12:53 GMT'. Below this is an 'Edit profile' button and a list of social media links (Twitter, Instagram, Facebook) all marked as 'Not Specified'. The main content area on the right is divided into three panels. The top panel shows user details: Name 'TEAM 23', Email 'team23project@gmail.com', and Location. The middle panel, titled 'Notification', contains an 'Email' input field with 'user1@gmail.com', a 'Mode' dropdown set to 'Enable', and a blue 'SET' button. The bottom panel, titled 'Average Rating', shows a progress bar, a 'Reviews' section, and a blue 'View Review' button.
